Logan's Pup all started because of Logan, a special senior dog that Alyssa, the Executive Director of Logan's Pups, adopted.

Alyssa adopted Logan in 2015 and although he was only with her for a couple of months, he left a huge pawprint on her hearts and she'll never forget him. He had a gentleness in his eyes, and love in his heart, and Alyssa wanted to make sure he was remembered. To make sure no other senior dogs are overlooked, Alyssa started Logan's Pups. Logan's Pups is here to serve as a senior dog sanctuary, saving the dogs that are often overlooked at shelters, making them comfortable and feeling loved as they grow old. Every year, we house, on average, 25 dogs at any time, and help place up to 50 younger dogs in their fur-ever homes. Your donation will help us continue offering these services for years to come.
