

What's your giving story?! The community wants to hear it.

When people hear others stories and actions for good, it makes the idea of giving easy, tangible and exciting to do! We are asking you to tell us a short story so we can share it during Spring2ACTion through our social media channels, blog posts, and more!

Spring2ACTion is built on people giving to organizations that are meaningful to them and hearing about new ones from people they can relate to or personally know. In 2019, more than 9,000 people gave a donation to a local nonprofit during Spring2ACTion, collectively raising \$2M for our community in just 24 hours -- that is 9,000 stories of giving and we want to hear yours!

Here's what we are asking you to do:

1. In a few sentences, **tell us why you give?** (250 words or less) Below are a few prompting questions to help you! **Keep it easy and simple!**
2. **Find a high quality photo** of you, your family, or a candid shot of you giving!
3. Then we want you to **share it** on your own social channels during Spring2ACTion! Be sure to tag the organizations you support as well as **use #Spring2ACTion** and tag:
Twitter: @ACTforAlex
FB: @ACTforAlexandria
Insta: @ACTforAlexandria

Here are a few questions to help you create your short story:

- Why is being generous important to you? What inspired you to give back?
- What causes are you passionate about? And how did you learn about them?
- What was your first step to engage - what pushed you to do it?
- How have you been involved in advancing the causes you care about through volunteerism, advocacy, events, and/or through services and financial donations?
- How have you seen people or organizations benefit from your generosity?
- What's one thing you wish others knew about the cause or organization you love?
- Has the experience of giving back moved you personally or professionally, or given you a new perspective?
- What advice would you give someone looking to get involved and make a positive impact?

Thank you for sharing! We want to inspire others to give. We will be sharing your story on ACT social media platforms and in marketing materials during Spring2ACTion.

About Spring2ACTion

Spring2ACTion is Alexandria's Giving Day. On April 29, 2020, we will celebrate the community's 10th giving day! The 24-hour period is to inspire all to do good by getting on Spring2ACTion.org and giving to a cause(s) you are passionate about, providing an easy and fun way for all of us to give together while lifting up our local nonprofits.

The day, organized by [ACT for Alexandria](#), has raised more than \$10M in the past 9 years for the programs and services that support children, family, senior, veteran, animal and art related causes in our community. **On April 29, 2020, our 10th Spring2ACTion, we aim to raise \$2M+ for 150 nonprofits right here in Alexandria.**

Examples of giving stories to help you!

“All families are different but no matter how different they do or don’t look, every family longs to connect and be accepted. That is why we support Family Services for our community and organizations like this who are serving the needs of all families. We volunteer as a family a few times a year and do a coat drive and bring friends to hear about the great work being done.”

“When I was young, our family hit a rough patch and we had to move to a shelter. I was terrified but the staff there showed me kindness, made me feel special and safe. I give to our local shelter and fundraise for them each year, so other children and families can feel that way too if they ever find themselves in the same place.”

“I believe the strongest bond is between a child and their mother. A mother is a child’s first teacher. But not all mothers have the resources and role models they need to be a successful parent. I am committed to organizations that provide quality child care for underserved kids and support services for mothers and families. Every year, my family talks about organizations and makes donations. We also commit to volunteering with them once a year. I am teaching my kids the value of giving back.”

“Donating and volunteering has given me a feeling that can’t be fully explained in words alone...watching the reactions of recipients, reading their letters, and just knowing that you have made a positive difference in someone’s life is absolutely priceless. I many not get to always meet those I am helping but my hope is that my help will inspire that person to do good for others. We all have the capacity to give something to make someone’s life better. We were all given something in this life at some point because someone was paying it forward. I spend my life doing the same.”
