**READ AS MANY MINUTES AS YOU CAN,  
COLLECT \$\$ DONATIONS \$\$, & WIN PRIZES!**

The BookSpring *Read a Book, Own the Galaxy* Readathon is celebrating its 15th year, spreading the love of reading to kids & families throughout Austin & Central Texas. During the two-week Readathon period, students read as many minutes as they can, collect donations from family and friends, and win great prizes!

**It's all about kids reading so that other kids can have their very own books.** Through the Readathon, our student readers help BookSpring fill bookshelves with wonderful children's books, while promoting a love of reading with our kids and families in need in 80,000 homes throughout Austin and Central Texas.

***BookSpring builds early literacy in children and families through healthcare (Rx), education (Ed), and the community (Go).  
BookSpring is dedicated to making sure kids have books that will shape and change their lives.***
