

# Business Fundraisers

## What is Give Big Gallatin Valley?

Give Big Gallatin Valley, the **largest giving day in Montana** is a 24-hour celebration of giving that **supports over 200 nonprofits** through Gallatin County! Last year alone, \$2.7 million was raised for 210 organizations by 6,269 donors. The unrestricted funds that this event raises for nonprofits help provide critical resources to support their missions. **In just seven years, our community has raised \$8,528,753 for 200+ nonprofits** throughout Gallatin County, from arts to conservation, from youth to organizations supporting elderly community members.

**Join Give Big on May 5th and 6th as a business fundraiser!** Give Big's Business Fundraiser feature allows your business to have a profile on GiveBigGV.org that highlights your community impact and shows your team's generosity.

## Why should our business participate?

**Visibility:** By participating as a Business Fundraiser, thousands of community members will see your company on GiveBigGV.org.

**Reach new clients:** Showcasing why your company cares about the community can help draw in new clients. Get your business name out to the community by being featured on a website that got over 153,000 page views during Give Big 2021.

**Employee morale:** Bring your entire team together around a common goal to impact their community. Employees can feel more connected to your mission and a sense of satisfaction as they join you in giving back -- connecting them with causes they care about.

**Make employee matching easy:** Does your company offer employee donation matching? Utilizing Give Big fundraisers will streamline the process for your HR team as all of the donation information will be in one place.

**Participation is FREE!**
