What’s more memorable, and easier to understand when driving?

While driving down this road, there is a chance that one or more rocks of varying size may fall from the slopes on one or both sides of you. You should be aware of this before you travel this way so you are cautious of this particular type of hazard.
Highlighting Visual Content
Highlight Visual Content

- Use an up-to-date logo
- Include relevant, visually-engaging photos
- Use the Giving Day logo or other shareable graphics in all social media posts and emails
- Create a short video or a video series that tells a story over several “episodes”

Why the Orcas?

Orca Conservancy collaborates with some of the world’s top research institutions and environmental groups to address the most critical issues now facing wild orcas. The organization’s urgent attention is on the endangered Southern Resident killer whales of Puget Sound. Puget Sound has the largest concentration of Orcas, making it a popular hunting ground for international whaling. Together, we can raise funds to end this and save these magnificent creatures.
Creating a Video Series

- Weekly videos encourage consistent engagement
- Keep the videos short to keep the viewer’s attention
- Consider some points on what to model the videos around
- Your organization’s story and/or mission
- Your volunteers and/or staff members’ stories
- Your actions and impact on the community
Rallying Your Ambassadors
Rally Your Ambassadors

Reach out to existing supporters to see who is willing to:

- Share your social media posts
- Write a testimonial or review
- Volunteer their skills
- Share their own images
- Become a Peer-to-Peer Fundraiser
Fundraiser Engagement

The strongest way your ambassadors can impact your organization is through Peer-to-Peer fundraising. They can:

- Broaden your organization’s reach by sharing social media content to their personal networks
- Generate excitement and momentum through engaging posts or livestreams
- Showcase their connection to your organization to encourage further community engagement
Host Virtual Events
Choosing your Event: Things to Consider

The type of event you organize will determine your call to action.

- Know your audience when choosing your event
  - How comfortable are they using a computer?
  - Will they have access to smartphones?
  - Will they enjoy a story telling contest? Or a Live Music Session?

- Timing - is your event happening before, on, or after Giving Day?

- Know which interactive tools you will use and how to use them
  - Organize a day of run-through/dress rehearsal

- Consider event follow up - think about what guests will expect after the event?

- AMA, “Ask Me Anything” with a staff member or ED
- Volunteer, Member, Board or Staff Spotlight
- News Update (post regularly, like a “Tidbit Tuesday” or “Fundraising Friday”)

- Testimonials
Create a Plan for your Virtual Event

- **Step 1**: Identify your goals & audience
- **Step 2**: Choose the type of event you want
- **Step 3**: Create a call to action! Make it fun, make it competitive, have incentives!
- **Step 4**: Give specific roles to each member of your planning team
- **Step 5**: Promote your event!
Examples of Virtual Events
Virtual Volunteer Coffee Hour

This is a great way to get supporters together virtually but working toward a common goal.

- Volunteers can hang out virtually while they work on individual tasks
  - Ex: knitting hats for newborns, sewing masks for nurses, creating care packages for the elderly, setting up P2P page
- Have volunteers share their progress on social media and ask them to promote your participation in the giving day
Awareness Webinar

This event gives your organization an opportunity to tell your supporters what you are currently working on and how this ties into your overall mission:

- **Tips for Success:**
  - Start with an Ice Breaker
  - Set an agenda so attendees know what to expect
  - Include lots of visuals!
  - Allow time for questions and discussion
Plan a 5K

Encourage individual activity instead of an in person fitness challenge:

- **Tips for Success:**
  - Create a course that can be completed by anyone in the area
  - Set up trail markers so participants know they are on the correct course
  - Advertise the course so that participants can start running in advance
  - Encourage runners to share photos of their run as well as their race times
  - Bonus points if runners are in costume!
Host a Trivia Contest

Invite supporters to log in and participate in a game of Trivia!

- **Tips for Success:**
  - Encourage teams
  - Have fun! Include sound effects and visuals
  - Consider a variety of topics so everyone has a few questions they can excel in
  - Share teams on social media. Include pictures of the winning team and samples of some of the event’s toughest questions!
