General Information

WHAT IS #IGIVECATHOLIC?
#iGiveCatholic is a Giving Day for the faithful across the nation (and the globe!) to come together and raise as many charitable dollars as possible for Catholic parishes, schools, and ministries in participating arch/dioceses. Last year, #iGiveCatholic raised more than $12.7 million for 2,600+ organizations in 40 arch/dioceses across the United States.

WHEN IS #IGIVECATHOLIC?
#iGiveCatholic takes place on #GivingTuesday, November 30, from 12:00 AM to 11:59 PM for gifts given online at www.igivecatholic.org, or offline through a donation of cash or check directly to the Catholic organization of the donor’s choice. In addition, there is an Advanced Giving Day phase for both online and offline “pre-Giving Day” gifts running from 12:00 AM on Monday, November 15 through 11:59 PM on Monday, November 29.

WHY HOST A DAY OF CATHOLIC GIVING ON #GIVINGTUESDAY?
We have a day for giving thanks. We have two for purchasing gifts for loved ones—Black Friday and Cyber Monday. Beginning its 10th year, #GivingTuesday is a global day dedicated to generosity fueled by the power of social media, collaboration, and a lot of publicity. #GivingTuesday also kicks off the charitable season when many focus on their holiday and end-of-year giving.

WHO IS GIVEGAB?
GiveGab is the Giving Day platform provider for the #iGiveCatholic Giving Day. In addition to providing the technology and security behind your organization’s profile page, they also provide the technical support and assistance for you and your donors before, during, and after the Giving Day.
Eligibility

All Catholic 501(c)(3) parishes, schools, and Catholic-serving ministries listed in the Official Catholic Directory and/or affiliated with NCEA or a participating arch/diocese or Catholic foundation are eligible to participate in the #iGiveCatholic Giving Day. Please consult your NCEA, arch/diocese, or foundation point person for more information.

Eligible organizations must apply for participation online by following the instructions in the email sent to them from their NCEA, arch/diocesan, or foundation point person. That email contains a link that takes organization administrators to the arch/diocesan/foundation main page where they “Apply Now” and follow the registration process for organization participation.

The registration process begins on Monday, August 16, and closes on Wednesday, November 3. If an organization does not wish to participate in the Giving Day, they should let their arch/diocese or foundation point person know ASAP or by November 3.

Questions? How-to articles on registering and completing your profile are located on the Resources page of the #iGiveCatholic website and throughout the GiveGab Support Center. We also recommend utilizing the blue chat bubble in the bottom right-hand corner of the website if you encounter any difficulty! That is the fastest way for you to get a question answered or an issue resolved. You can also email tech support at questions@igivecatholic.org!

PLEASE NOTE:

• GiveGab’s Customer Success Team (tech support) is available Monday through Friday from 9:00 AM to 5:00 PM Eastern Time via email at questions@igivecatholic.org or via the blue chat bubble at the bottom right-hand corner of the website. GiveGab techs will be EXTREMELY busy the last week of October and the beginning of November helping organizations get their accounts registered, so please allow plenty of time those weeks if you will be working on your page and encounter a problem!

• All individuals who donate online at igivecatholic.org during the Giving Day and/or Advanced Giving Day phase will receive a tax receipt via email from #iGiveCatholic once they have made their donation. Organizations are required to thank their donors, however.

• All donations made during the Giving Day and/or Advanced Giving Day phase are tax-deductible in the full amount. Please acknowledge the full donation amount in any communication you may have with the donor about the gift, such as a year-end summary of their gifts.

• Any donations and prizes your organization receives during #iGiveCatholic will rely on your marketing and communication efforts! #iGiveCatholic markets the effort at a national level, the arch/diocese or foundation promotes at the diocesan level, and you communicate to your supporters! You know your donors best. Neither #iGiveCatholic nor GiveGab will solicit your donors!
Marketing Ideas

You know your goals for the Giving Day, and you know your donors! Promote the #iGiveCatholic Giving Day using the communication methods you are already utilizing to reach your donors. *If acquiring new donors is one of your organization’s goals, however, you will need to promote the event using new methods.*

**NOTE:** To ensure you are promoting the correct URL for your organization’s profile page, be certain the URL you promote looks like this (text in gold is unique to your organization):

To be certain, copy the web address at the top of your profile page or look in the very bottom right-hand corner of your organization’s dashboard!

Here are some general ideas for getting the word out about your organization’s participation in the Giving Day:

**PARISH SUGGESTIONS:**

- Make announcements about the Giving Day from the pulpit or before live-streamed Mass.
- Insert #iGiveCatholic messaging into your bulletins (See Resources on the website.)
- Hold an event after Masses during the Advanced Giving Day phase (begins November 15 through November 29), and invite parishioners to make a donation while they enjoy coffee and donuts, and be sure to include a link to your organization’s URL after any live-streamed Masses.

**SCHOOL SUGGESTIONS**

- Use a text messaging service (i.e., Flocknote).
- During the Thanksgiving holiday, change outgoing voicemail messages on greetings, staff lines, and cell phones to remind people about the Giving Day.
- Send flyers home with students (See Resources on the website.)

**MINISTRY SUGGESTIONS:**

- Email constituents or hand out flyers. (See Resources on the website.)
- Write a story about your #iGiveCatholic participation and project or goals in a blog post or article.

**SUGGESTIONS FOR ALL ORGANIZATIONS:**

- Use a banner on your own website. (See Resources on the website.)
- Announce and discuss #iGiveCatholic with all staff, board, donors, committee members, volunteers, and parents at all meetings and events.
- Ask current and former board members, parents, donors, staff, and volunteers to promote the event to their friends, family, and co-workers via word of mouth, email, and social media. Perhaps they would host a Peer-to-Peer Fundraising Page for your organization.
- Create and embed a donation button on your organization’s website. [Instructions are found here.](https://www.igivecatholic.org)
- For more information on using videos and emails, see the following pages!
Video Campaigns

Many successful #iGiveCatholic marketing plans include video campaigns. Some of these videos explain project needs or update viewers on Giving Day goals, while others ask participants to explain why they give during a brief “#iGiveCatholic because…” clips.

It is easy to do – just use your smartphone to shoot a short video of your organization’s supporters and influencers saying why they “Give Catholic” and why they give to your organization. You can then share these videos on your organization’s profile page, Facebook, Twitter, and Instagram accounts, or via email and e-newsletters. Do not forget to include a “clickable link” or hyperlink directly to your profile page when you post or send these videos!

Email-Mail Campaigns

The number one way that 2020 #iGiveCatholic donors heard about the campaign was by an email or newsletter from the organization they donated to! Here are some ways you can connect with your donors via email or a newsletter:

- Create a banner or dedicated message about your #iGiveCatholic project or need in all of your organization’s electronic communications. (See Resources on the website for logos and graphics.)
- Add an #iGiveCatholic logo to your email signature and make it a “clickable link” to your organization’s profile page.

Send an email or postcard to your constituents asking them to both “Save the Date”, and tell their friends about the Giving Day.
- Don’t be afraid to send your donors a letter in the mail about the campaign.
- Include stories and short “Did you know” quips about the Giving Day campaign in your newsletters.
- Don’t forget to include a “clickable link”, QR code, or URL directly to your profile page in all your communications!

This organization used an email service such as Mail Chimp or Constant Contact and sent the email below to their donors. Their effort was quite successful!

#iGiveCatholic ~ Giving Tuesday 2020

#iGiveCatholic is the official Catholic initiative of Giving Tuesday, which is a national day of observance for making gifts to nonprofit organizations. Giving Tuesday is observed every year on the Tuesday after Thanksgiving, which in 2020 is December 1.

Thanks to the Catholic Extension Society, our diocese received a grant to participate in this program along with nearly 40 other Catholic dioceses across the country.

St. Joseph’s will be participating with the goal of funding our Parking Lot and Dugway Pavement Project. The last time our parking lot and driveways were paved was back in 1996 thanks to a cell tower agreement. St. Joseph Parish is host to not only church services, religious education, and numerous parish ministries and organizations but it also serves the community by offering spaces for various meetings, activities and events, rental spaces, sporting practices and games, and, of course, the annual Ox Roast Fair. All of this activity, Mother Nature, and the ravages of time have taken a toll on the pavement throughout the property.
