2021 PARTICIPANT TESTIMONIALS

#iGIVECATHOLIC

"What we have enjoyed most about the **#iGiveCatholic** platform is that it allows for transparency and family/student participation. We find great fun in drumming up competition among our students, while engaging our alumni and local community. The money we raised went directly to serve the foundation, and future, of our campus ministry."

St. Thomas More Church & Newman Center, UofSC | **\$148,374 raised in 2021**

"The **#iGiveCatholic** platform, in conjunction with the step-by-step guidance, created a wonderful way to raise needed funds for our mission school. Using 'Principal Challenges' as a means for garnering support made a huge impact - and also provided a little humor! Knowing that the principal was willing to dress up as a unicorn, turn her hair blue, and get turned into an ice cream sundae definitely boosted the support we received."

St. John School, North Charleston | **\$20,600 raised in 2021**

"**#iGiveCatholic** was a very easy way to raise much-needed funds. The staff was very supportive in answering any questions with setting up our page, which was then easy to share with friends and family! Our church is now debt free due in part to the generous donations we received."

Church of the Infant Jesus Mission, Marion | **\$4,550 raised in 2021**
