Dear Salutation,

The **Foundation/Diocese name** will again host the local #iGiveCatholic (#iGC) campaign on Giving Tuesday, the nationally recognized day of giving. As always, this day falls on the Tuesday after Thanksgiving, which is November 28th this year.

With a mission to financially strengthen the Catholic community in northwest Pennsylvania, the **Foundation name** has facilitated #iGC for the Catholic schools, parishes, and organizations of the Diocese of **Name** since **XXXX (if applicable to your diocese)**. As the graphic below shows, our mission to help financially strengthen the Catholic organizations throughout the Diocese of **Name** is being realized. The steady growth in donors, number of gifts and dollars donated over the past **X** years has resulted in **total dollars raised** in additional funds for these Catholic ministries!

How can you be a part of #iGC in 2023? We are currently seeking sponsors for the prize program used as an incentive for participating organizations as they try to achieve pre-determined giving goals throughout the day on November 28th. As the size of the prize pool has grown every year, so has the excitement it sparks. An additional \$500 in a giving day total may allow a school to purchase STEAM supplies or a parish to work towards filling a food pantry.

Attached to this letter is a sponsor benefit form. It lists the various levels of opportunity for sponsorship and the ways we will highlight your business in return. **Forms should be returned to the Foundation/Diocese no later than date.** Please refer any questions to **contact name** at **contact information**.

We hope that you will join in the excitement of #iGive Catholic by partnering with us as a prize program sponsor. Thank you for your consideration.

Sincerely,

Consider adding a graphic of past years' results.
