

# #iGIVECATHOLIC

Tuesday, November 28, 2023

*You are invited to participate as a sponsor in the ninth annual day of Catholic giving. Millions of individuals across the country will donate to their favorite local parish, school, or ministry as part of the #iGiveCatholic campaign on #GivingTuesday.*

## What is #iGiveCatholic?

- #iGiveCatholic is a national day of giving meant to inspire our Catholic community to come together and "give Catholic" on the global day of generosity known as #GivingTuesday.
- #iGiveCatholic provides Catholic parishes, schools, and ministries the opportunity to raise funds that are critical to the support of their mission.

## How does #iGiveCatholic work?

- Donors make their gifts online or by cash or check made directly to a participating Catholic nonprofit. Gifts can be made anytime during the Advanced Giving period from November 13 through November 27 or anytime on the November 28 giving day.
- We are local! All gifts made to the **Diocese Name** #iGiveCatholic campaign stay with the parishes, schools, and ministries of the Diocese of **Name**.
- **Foundation/Diocese** will be promoting the campaign on social media and awarding prizes throughout the day.

## Who can participate?

- Anyone can participate with a gift to their favorite Catholic parish, school, or ministry.
- #iGiveCatholic participation is open to all Catholic parishes, Catholic schools, and Catholic ministries located in the Diocese of **Name**.

## Partner with us!

- Sponsorships are available to individuals and businesses that wish to support our local #iGiveCatholic campaign. Please see the enclosed Sponsor Form for information on donor levels.
- Sponsor dollars will be used to support the prizes that will be awarded to locally participating organizations throughout the day of giving as well as once giving has concluded. The Sponsor Form details the levels and benefits.
- For more information, please contact **insert contact person information**.
