#GIVINGTUESDAY

## November 8, 2023

GiveGab is becoming  Bonterra.

# #iGiveCatholic Prayer

O Lord, giver of life, we know that all we are,  
and all we have are gifts from You.

We live in a world that celebrates consumption.  
But You call us to be good stewards  
of all You have entrusted to us.

May this #GivingTuesday prompt us  
to gratitude and generosity,  
that brings nourishment to the hungry  
and hope to the hopeless.

We pray that #iGiveCatholic  
may be a miracle of loaves and fishes,  
where every gift shared lovingly  
from a grateful heart  
becomes bread for the multitudes,  
and the ordinary becomes extraordinary.

In this giving and receiving, may our hearts rejoice  
in You alone, who are Lord for ever and ever.

Amen

#### What's with these fees?

As with in-person fundraising events, there are also costs involved with online fundraising. Every transaction incurs a technology cost (3.3%), as well as either a credit card (2.5% + \$.30) or ACH processing (\$3.00, only available on gifts of \$100 or greater) cost in order to support the expenses incurred with a Giving Day event and site. Please see our FAQs posted on our site for a full breakdown.

# How will you receive your donations?

## If collecting funds directly:

- Donations will be transferred to your bank account 5-7 days after #iGiveCatholic. The statement descriptor will say, “BonterraTech.com”
- Each online donation record will include a “Payout Date” to represent the date it was deposited. Donations listed as “Pending” have not yet successfully transferred.
- Note: Offline gifts your team entered in the dashboard would not count in this payout, as you should have collected those directly.

# How will you receive your donations?

If your diocese our group is collecting funds on your behalf:

- Download a report of online gifts from #iGiveCatholic 2022 to determine how much you should receive. Find the sum of the the “Payout” column for each donation.
- Note: Offline gifts your team entered in would not count in this payout, as you should have received those directly.
- If you have any questions regarding the timing of payout, etc. contact your diocesan/foundation point person

*Last few tips for*

#

iGIVECATHOLIC

#GIVINGTUESDAY

GiveGab is becoming  Bonterra.

# Go the extra mile!

## First impressions REALLY DO matter!

- "Plant" major donors at the beginning of Advanced Giving to set the bar high.
  - The higher the amount a donor sees was recently contributed, the more they'll consider giving.
- Incentivize gifts during Advanced Giving with donor drawings for prizes so you start GivingTuesday with momentum!

Courtesy of GivingTuesday and [The Effects of Seed Money and Refunds on Charitable Giving](#)

# Go the extra mile!

Social Information - Effect on Campaign

As you approach your goal, **switch from reporting progress towards goal to describing impact of gifts.**

- Ok to start with 20%, 50%, 75% of the way there
- “*Help us DO X*” rather than “*Help us RAISE \$X*”
- If you reach your goal, pivot and describe what you'll do with *additional funds* raised.
- Make sure your donors know YOU NEED THEM as a partner to make a difference with your mission-centered program.

Courtesy of GivingTuesday and [“Social information decreases giving in late-stage fundraising campaigns”](#)

# Go the extra mile!

**Know your audience** – make it EASY to participate

- Create a **Venmo for NonProfits** to collect small donations from college students
  - We've lowered our minimum donation from \$20 in 2022 to \$10 in 2023, so that should help with steering right to #iGiveCatholic for digital payments through ApplePay or GPay!
- Use **QR codes on printed materials**
  - *PRINTED items because QR codes are useless on things that will likely be seen on computer or phone! (i.e. social media posts, emails, websites) Better to use links or hyperlinks on those.*
- Hold a **Live Event** to collect Cash or Checks
  - Consider combining with a showcase of your programs or activities! (i.e. ministry fair, student testimonies or displays of their works, invite your community to a special mass or prayer breakfast, etc.)
  - For schools, consider [Penny Wars](#) to encourage participation from younger students.
