

# HOW TO UPLOAD A VIDEO ON FACEBOOK

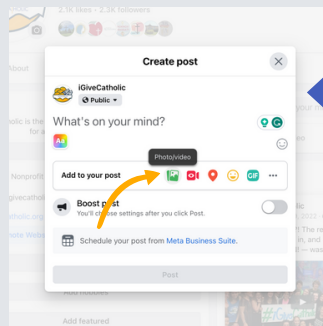

01

Click What's on your mind? at the top of your Feed.

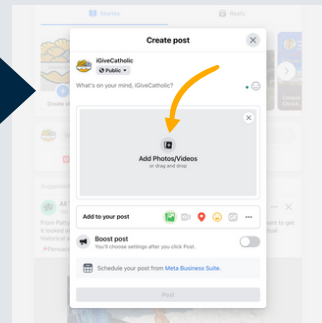

02

Click on the green image icon

03

Click Add Photos/Videos, then select the video you want to post.

04

Select your audience, then click Post.

**Facebook will process your video and let you know when it's ready to see. Keep in mind that you will not see the post with your video until it's done processing.**
