Alyssa adopted Logan in 2015 and although he was only with her for a couple of months, he left a huge paw print on her hearts and she'll never forget him. He had a gentleness in his eyes, and love in his heart, and Alyssa wanted to make sure he was remembered.

To make sure no other senior dogs are overlooked, Alyssa started Logan's Pups.

Logan's Pups is here to serve as a senior dog sanctuary, saving the dogs that are often overlooked at shelters, making them comfortable and feeling loved as they grow old.

Every year, we house, on average, 25 dogs at any time, and help place up to 50 younger dogs in their fur-ever homes.

Your donation will help us continue offering these services for years to come.

Enable Auto Matching

We will automatically generate a matching offline donation for each GiveGab donation that comes in online between the above dates (if provided), until all the funds are depleted! You can always edit them later if needed. **Note:** These donation amounts may not be reflected in your organization's totals on a giving day profile depending on the preference of your giving day host.

How it Works: Matching offline donations will be created automatically in the amount equal to the matched online donation (up to the maximum individual match allowed). If the remaining available matching funds are less than these values, a donation will be partially matched. If a time range is provided, matching offline donations will only be created for online donations made during this time range.

Archive this match opportunity to mark it as inactive and prevent it from being displayed in future fundraising.
