Empowering Bright Students to Fulfill Their Dreams

Foundation for Excellence (FFE) was founded in 1994 with a mission to award college scholarships to financially challenged but bright students who desire to pursue a career in Engineering, Medicine, Pharmacy and Law. FFE receives funds from global donors including individuals, corporations and foundations. FFE alumni also support prospective students who come from similar backgrounds and can benefit like they did. FFE imparts soft skills to scholars and mentors each one individually making them more effective competitors in the job market.

In the last 28 years, FFE has awarded 81,852 scholarships, amounting to \$46M helping 28,782 bright Indian students achieve their dreams and alleviate their families from poverty. After graduation, FFE scholars have pursued careers at large corporations such as Microsoft. Google, and Cisco as well as at prominent hospitals.
