Goal Setting
Why is goal setting important?

● Paints a clear picture of what you are looking to achieve through Give For Good Louisville
● Takes the guessing out of it! Creates clear expectations for those you are looking to engage for the giving day, which will help influence their decisions.
● The power of suggestion - using a chosen metric in your storytelling can help influence a donor’s decisions
● Donors are more likely to give if they see that you are close to achieving your goal*

Telling Your Story

Logan’s Pup all started because of Logan, a special senior dog that Alyssa, the Executive Director of Logan’s Pups, adopted.

Alyssa adopted Logan in 2015 and although he was only with her for a couple of months, he left a huge pawprint on her hearts and she’ll never forget him. He had a gentleness in his eyes, and love in his heart, and Alyssa wanted to make sure he was remembered. To make sure no other senior dogs are overlooked, Alyssa started Logan’s Pups. Logan’s Pups is here to serve as a senior dog sanctuary, saving the dogs that are often overlooked at shelters, making them comfortable and feeling loved as they grow old. Every year, we house, on average, 25 dogs at any time, and help place up to 50 younger dogs in their fur-ever homes. Your donation will help us continue offering these services for years to come.

Goal Setting in GiveGab: Storytelling

**Your profile:** Let’s make sure your profile is strategic, and embodies what your organization wants to achieve.

- Donation levels

- Leveraging the monetary goal feature (dynamic, and can be adjusted throughout the day to communicate updates!)
Goal Setting in GiveGab: Storytelling

- **Monetary Goal:** Make it clear what the funds raised will help you achieve and set donation levels that will help you get there.

- Admins can easily create and manage pages for them if needed!

Goal Setting in GiveGab: P2P

Peer-to-Peer Fundraising

● What portion of your goal(s) are they helping you reach?
  ○ Ex. Of your $5,000 goal for the giving day, how much are you hoping they will achieve?

● Peer-to-Peer Fundraisers can even set their own goal on their ‘P2P’ profile (or you, as an admin, can set them!)
Goal Setting in GiveGab: P2P

- **Donor Goal:** Include the donor goal for individuals peer-to-peer fundraisers in the default P2P story, and/or encourage your P2P’s to include it in theirs.

- **Monetary Goal:** Be strategic when setting the default P2P dollar goal - what portion of your overall goal can they reasonably help you achieve?
1. Identify 5 supporters that would be engaged peer-to-peer fundraisers.
2. How much of your overall goal can these individual supporters help you reach?
Highlight Sponsor Matches!

- 1:1 Match: each online donation will be matched dollar for dollar
- Challenge: Funds will be added to your organization’s total once a set goal is achieved.
- Organizations with matching funds raise on average **4.5x more** than organizations without a match or challenge!
- *Watch GiveGab’s Matching Training video*
These features can help ‘move the needle’ and further communicate your goals.

**Matches and Challenges:**

- To start, work backwards from your goal:
  - Ex. You’d like to raise $5,000 - how much of that would you like to be from a matching gift?
- This can help form your ask when stewarding potential matching sponsors!
Goal Setting in GiveGab: Fundraising Tools

**Dollar Goal:** Use matching funds to incentivize larger gifts.

**Donor Goal:** Create a challenge to drive donor activity.
How can your organization utilize matches/challenges to meet your 2020 giving day goals?
