

The Community Foundation for Ocala/Marion County is excited to host Give4Marion 2021 coming September 21-22 10 a.m. – 10 a.m. We stand ready to support our community by bringing nonprofits, donors, and civic partners together during this 24-hour philanthropic initiative.

In 2020, we introduced our community to the inaugural giving day known as Give4Marion. With 81 nonprofits participating and nearly 1,200 unique donors, we raised more than \$310,000 for local nonprofits in 24-hours. With your help, we can surpass last year's incredible achievements and make history again for our community.

Our successes are due in large part to generous sponsors and donors. Give4Marion sponsorships assist us through nonprofit capacity-building initiatives, targeted marketing efforts, and a robust incentive package*. Your support maximizes exposure and promotes incentives while driving donations to the participating nonprofits. Overall, your support of Give4Marion demonstrates your commitment to our great community.

Your support will:

- Increase nonprofit exposure.
- Create a robust incentive package for nonprofit prizes.
- Maximize community engagement among nonprofits, donors, and civic partners.
- Demonstrate your commitment to the local nonprofit community.

Recognition opportunities for you/your business:

- Logo/company/name and website link added to the sponsored prize.
- Logo visibility on Give4Marion.org website, advertisements, and communication to nonprofits.
- Recognition before, during and after the giving day on social media.
- Media/editorial exposure.
- Invitation to the giving day celebration.

Opportunities are limited. Won't you consider sponsoring Give4Marion today? Contact Lauren DeIorio at (352) 622-5020 ext. 102 or Lauren@OcalaFoundation.org to become a Give4Marion sponsor.

*The Give4Marion incentive package directly benefits participating nonprofits and is comprised of monetary incentives offered throughout the 24-hour giving day. The different matches and prizes help maximize exposure for nonprofits, which drives donations to their organizations.
