

Missoula Gives LIVE Stream Production Guidelines & Suggestions

Our LIVE stream will be on a YouTube Live feed pushed out through the MissoulaGives.org website. Some of you will submit pre-recorded events that we will air on the LIVE stream. Others will be hosting a live streaming event through our broadcast.

Please refer to the following documents for guidelines and requirements:

1. Pre-recorded Video Specs & Compatibility Requirements :
 - a. <https://support.stageten.tv/en/articles/1893207-how-to-create-your-own-custom-overlays-on-stage-ten>
2. LIVE Events Compatibility Requirements:
 - a. <https://support.stageten.tv/en/articles/1711122-stage-ten-system-internet-connection-requirements>

Submission Requirements:

- *Pre-recorded Submissions*
 - This is the preferred submission format. Things to know for submitting a pre-recorded event.
 - i. Time Length: Minimum = 10 minutes, Maximum = 55 minutes
 - ii. The format you must submit is = .MP4 or WEBM
 - iii. 720p Maximum

- *Live Submissions*
 - We'll accept 2 different types of live participation.
 - i. 1 - 2 people joining the stream to talk on the stream.
 - ii. A combination of a few people and additional a/v assets (graphics, images, music, etc.). In both cases, we can only accept 4 feeds being on the stream at once and will need you to be flexible for scheduling.
 - Please refer to the above-linked article for capability requirements to join our live stream
