ONE DAY ONE COMMUNITY MAKING IT HAPPEN

MAY 13 2021

In just two years, #HudsonGives has made history and ushered in a new and inspired 24-hour fundraising event and competition - engaging the community like never before to celebrate and empower a diverse array of nonprofits. These critical organizations form the cornerstone of ensuring quality of life for all, providing services from arts education for Hudson County's young people to food and shelter for our community's most vulnerable. With your help, we can surpass last year's incredible achievement and make it happen again for Hudson County.

#HudsonGives is powered by the Hudson County Chamber Foundation, a 501(c)3, charitable nonprofit, organization founded in 2018 to assist the Hudson County Chamber of Commerce by advancing its mission to be the leading resource for driving economic growth—providing education, advocacy and access to our members within and throughout each community in Hudson County.
