

2023 Big Give Financial Commitment

For nearly a decade Big Give has been helping our local nonprofits raise unrestricted funds that are critical to their success. During this time the participating agencies have raised in excess of \$40 million and, as part of that process, interacted with nearly 300,000 donors. One of the keys to this event's ongoing success is our ability to offer additional dollars that incentivize donors to participate and give. There is no other local giving day that has the same impact as this event and we invite you to ensuring our most successful year ever through your generous support.

**Yes! I would love to support
the 10th Annual Big Give
with the following amount:**

☐

\$2,500

☐

\$5,000

☐

\$10,000

☐
