For more, read this GiveGab [Thank You Message support article](#).

The screenshot shows a web form titled "Add a 'Thank You' Message" with a green checkmark icon. Below the title is a placeholder text: "Please provide a 'Thank you' message, as well as an image or video link (or both)". The form has two main sections: "Thank You Message" and "Youtube or Vimeo Link". The "Thank You Message" section contains a text box with the text: "Thank you so much for your donation to Logan's Pups! With your support, we're able to continue our love and care of senior dogs." The "Youtube or Vimeo Link" section contains an empty text box. Below these sections is a note: "Don't have a video to link to? No bigger! Upload an image, and we'll use that instead." This is followed by a large image of a dog wearing a red and blue striped shirt, with the word "Thanks!" overlaid in large blue letters. At the bottom of the image are two buttons: "Select Image" and "Remove". Below the image are the labels "Recommended dimensions 800x600" and "Max file size 5MB". At the very bottom of the form is a blue "Save" button.
