

Sharing News of The Patterson Foundation's 2024 Giving Challenge Contribution

The Patterson Foundation is working to uplift nonprofits in our region through the 2024 Giving Challenge. To strengthen giving throughout our community, The Patterson Foundation will contribute a 1:1 match for unique donations, up to \$100 per donor, per nonprofit organization. There will be no limit on the number of unique individual matches a nonprofit organization can receive.

The special logo below highlighting The Patterson Foundation's contribution is available for download on GivingChallenge.org to each nonprofit organization participating in the 2024 Giving Challenge.

Please use this logo, which includes 2024 Giving Challenge-specific language, rather than The Patterson Foundation's normal logo.
