

Prize Guidelines

1. Your organization may win **one** of each prize type (donor count, double down, golden ticket, grand prize, post event, power hour).
2. Fairness in determining prize winners is very important to Connecticut Community Foundation. Our platform identifies "unique donors" by reviewing a combination of donor name, email and mailing address. All prizes that require unique donors will be verified using two levels of review:
 - a) GiveGab generates prize winners based on prize category and guidelines;
 - b) The Foundation audits the prize process to ensure winners are correctly identified.
3. In the event of a tie, the winner will be chosen randomly.
4. All decisions are final.
5. Prize winners will be posted to the Give Local prize page.
